Freedom of Information request

Re Red Tape Challenge

I have been unable to locate information on the breakdown of responses to the Red Tape Challenge of Equalities. I would therefore be grateful if you would now send me details of the number and outline of the responses received in respect of the 8 questions that were asked of participants. How many of the responses were supportive of the Equality Act 2010? How many did not think that it went far enough? and how many did not agree with the Act or any of its parts?

Yours faithfully

Linda Bellos OBE
Chair
